

Panel 4: Using Digital to Deliver Value
Through Digital Tools and Applications

Girls in STEM

OBJECTIVE

- 1 Analyze the state of the Philippine STEM industry
- 2 Identify future possibilities for STEM
- 3 Lay out a clear plan of action to promote STEM industry

★ **Steps for STEM stakeholders**

★ **Disparate and isolate STEM initiatives in the Philippines**

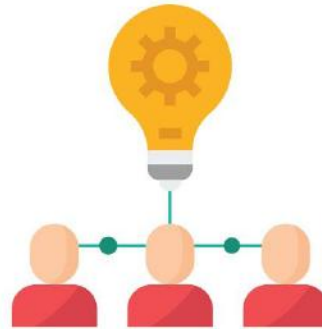

RECOMMENDATIONS

**Take a deeper and broader approach
for development of STEM industry**

**Establishment and
identification of roadmap**

**Annual multi-sectoral conferences
and round table discussions on STEM**
