

Holographic Wills, Pre-Nuptial Agreements and The New Family Code

A Talk/Workshop by Atty. Lorna Patajo-Kapunan

March 12, 2020 / 2:00PM - 5:00PM / Marala Room, Dusit Thani Hotel

Congratulations! As a woman in business, whether a corporate executive or an entrepreneur, you've worked hard to build your business and fortune, but have you given enough attention to learning your rights under the New Family Code and protecting yourself and those you love? At a time when blended families are prevalent, what do you do when your child decides to get married? Do you ask for a prenuptial agreement?

Learn which discriminatory provisions against women and children have been amended or removed in the Old Civil Code. Enlighten yourself on your parental rights, marital rights, property rights, inheritance, your children's rights. Understand the importance of guarding your assets through prenuptial agreements to clarify your financial rights, protect children from prior marriages, get protection from debt, and avoid arguments in case of divorce or separation. Protect your legacy with last wills and testaments.

Join WomenBizPH Trustee Atty. Lorna Patajo-Kapunan at the Women to Women Talk on The New Family Code on March 12, 2020 from 2pm-5pm at the Marala Function Room, Dusit Thani Hotel. After her talk, she will entertain questions from the guests, and conduct a workshop on preparing either a holographic will or a prenuptial agreement.
